- 4. Dr Muhammad Shoaib Akbar, Special Secretary, Home Department apprised the Committee about the aims and objects of the Bill. He stated that it was necessary further to amend the Explosive Substances Act, 1908 (VI of 1908) for the reason that Section 7 of the Explosive Substances Act 1908 (VI of 1908) provided that no court would proceed to the trial of any person for an offence against that Act except with the consent of the Provincial Government. The trial of the cases was sometimes delayed because sanction was neither accorded nor refused in a reasonable time. Pursuant to the recommendations of the Law and Justice Commission of Pakistan, it was proposed to amend section 7 to insert a proviso stipulating that if sanction of the provincial government was neither received nor refused within 60 days, such sanction would be deemed to have been duly accorded. The proposed amendment would expedite the disposal of cases under 1908 Act. He requested the Committee that the Bill as introduced in the House may be recommended to be passed by the Assembly.
- 5. The Committee after hearing the Members, having view point of the Administrative as well as Law and Parliamentary Affairs Departments and discussing various points, unanimously decided to recommend that the Bill may be passed by the Assembly subject to the following amendment:-
