STATEMENT OF OBJECTS AND REASONS

The Government aims at ensuring mandatory registration of a motor vehicle before bringing the vehicle on the road. The provision for re-registration of a motor vehicle registered in other parts of Pakistan is being revived with a slight change in the period and enforcement mechanism. The system of personalized licence number plates is being introduced. This scheme cannot be executed

under the existing provisions of the Provincial Motor Vehicles Ordinance, 1965. Certain amendments are, therefore, required in order to implement this scheme. Hence this Bill.
